Are you are buying new tires for your car in the New Year? The law authorizing a 50-cent fee on each new tire sold in Missouri expired on Jan. 1, 2004. Tire dealers may still charge up to \$2 to cover their costs for tire disposal, but should not be charging you the 50 cents per tire fee previously used to fund Missouri's waste tire cleanup program.

For more information, contact the Missouri Department of Natural Resources at 1-800-361-4827.
